3) Reasons for making the order

North Norfolk District Council

THE NORTH NORFOLK DISTRICT COUNCIL (OFF-STREET PARKING PLACES) AND CIVIL ENFORCEMENT ORDER 2022

REASONS FOR MAKING THE ORDER

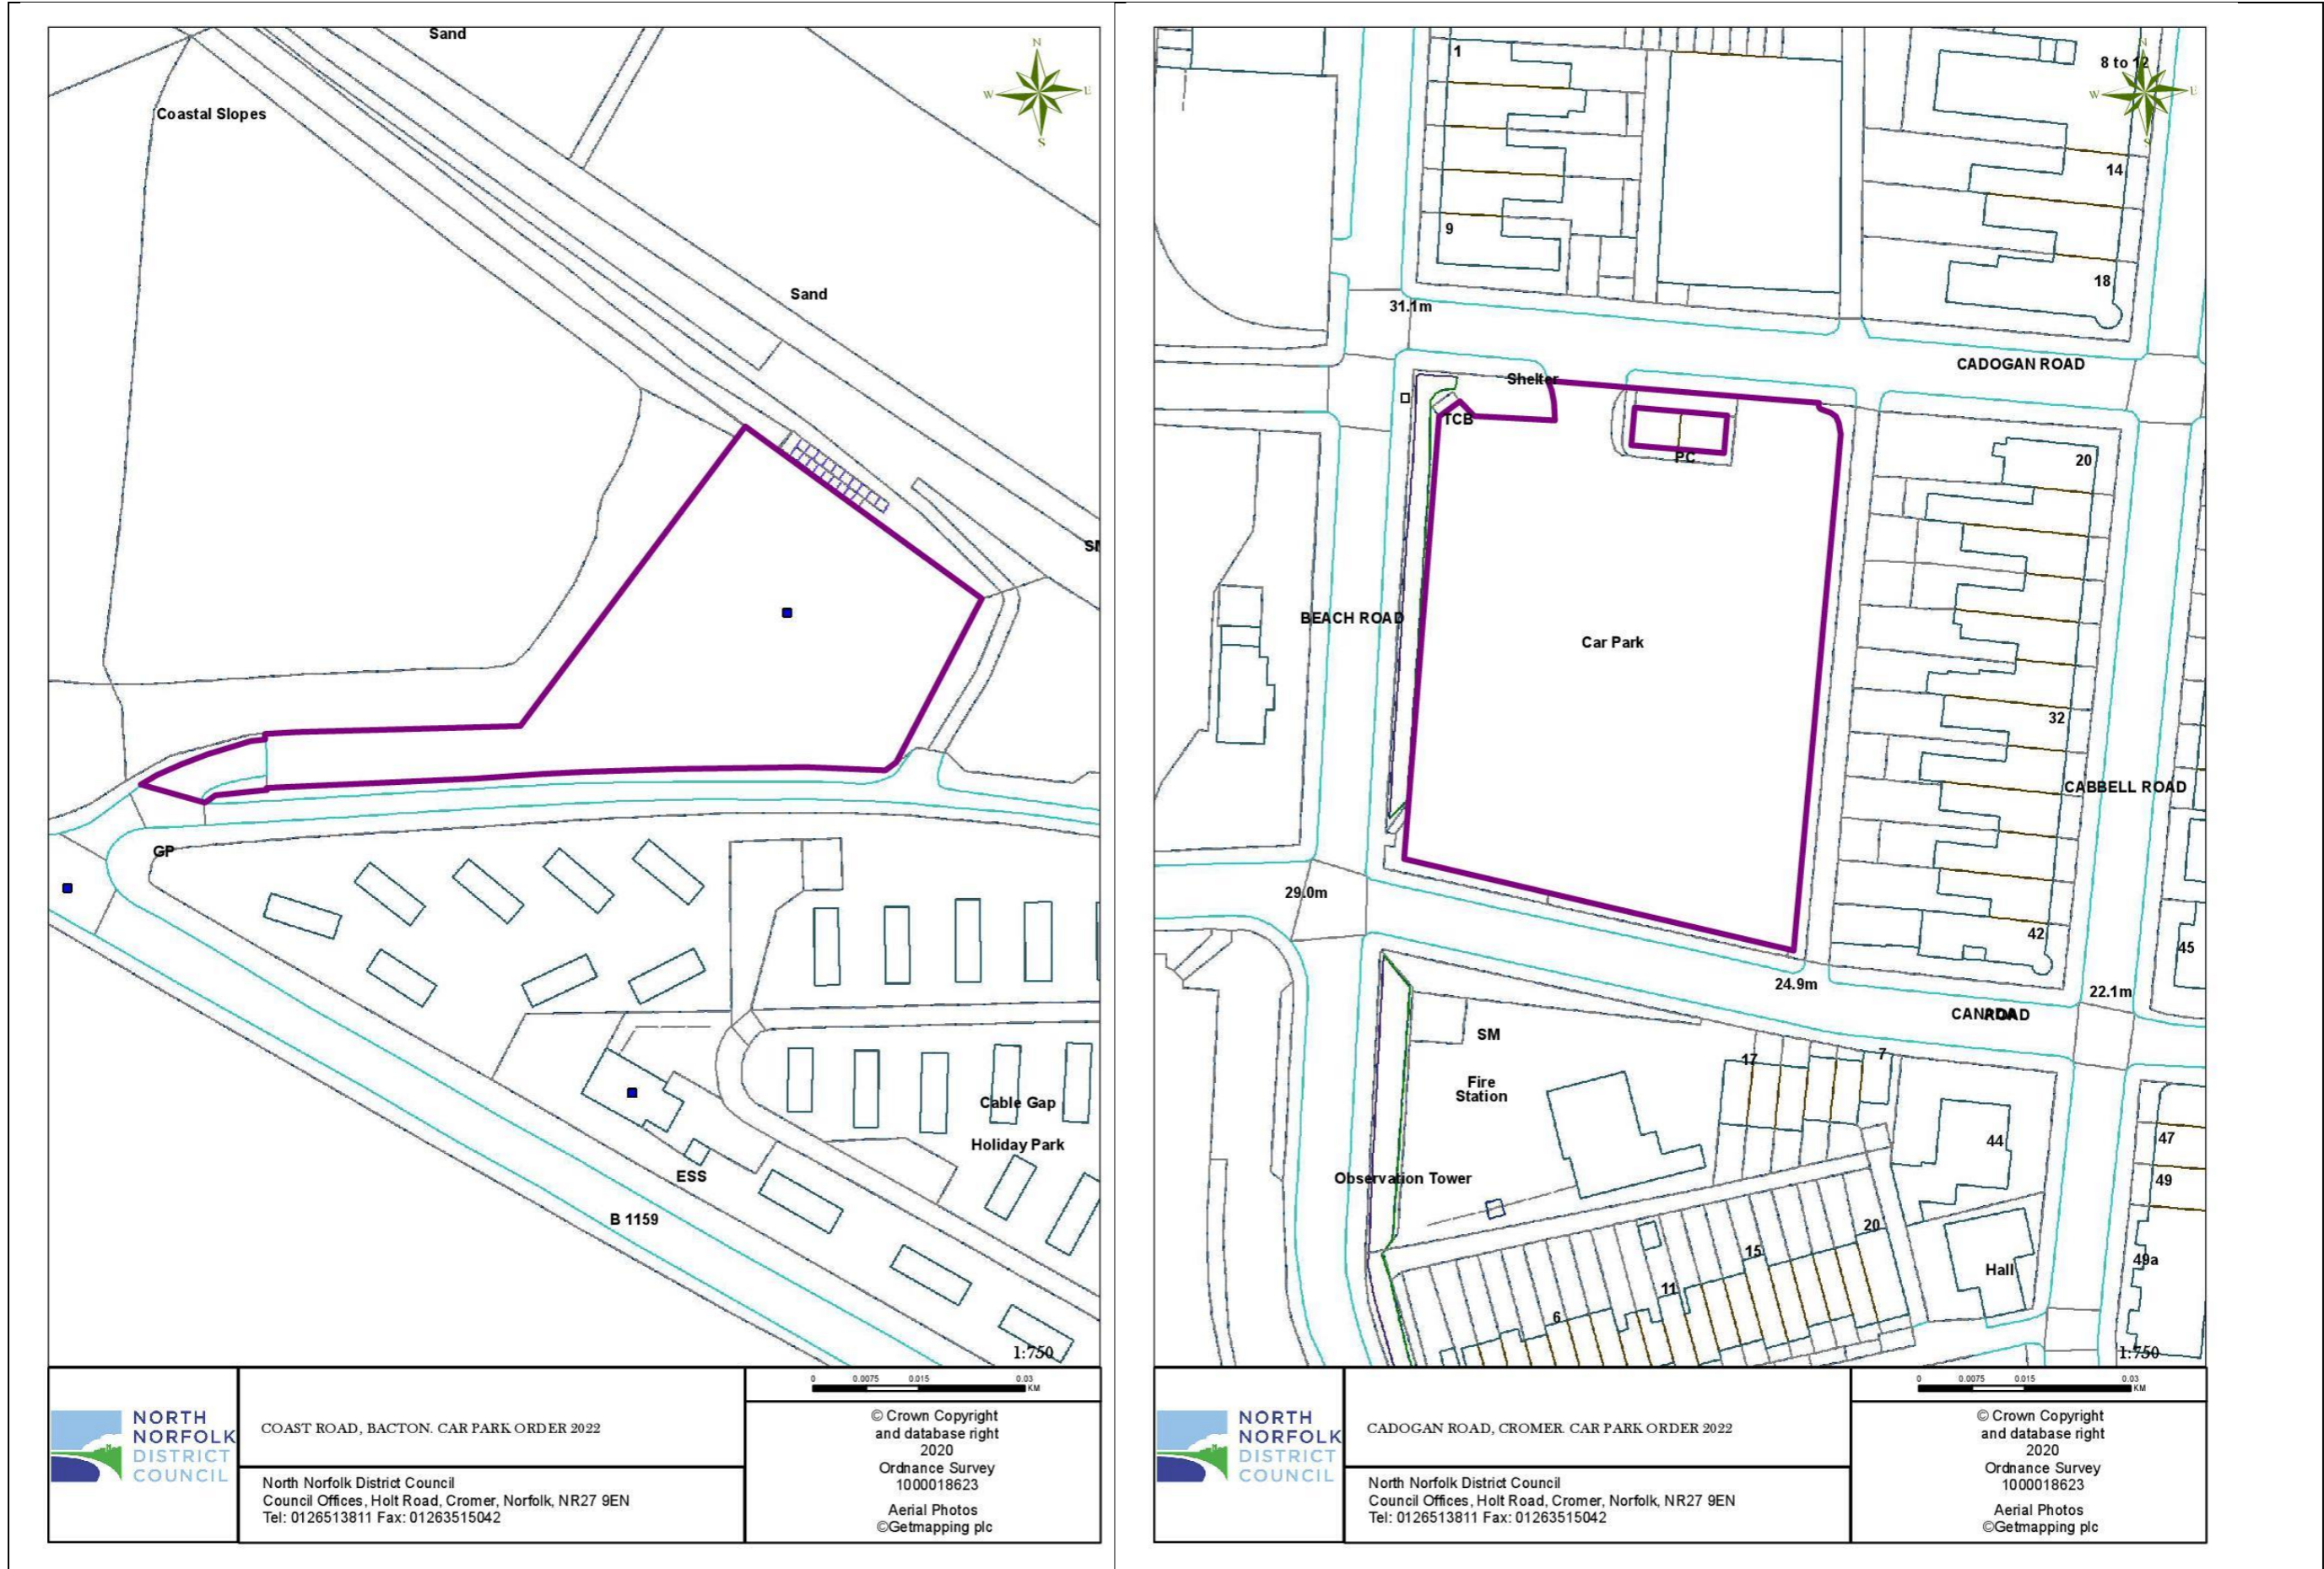

- The Parking Places and Enforcement Order is being made to consolidate information from the previous order of 2012 which has been amended and varied through 11 variation orders and notices since that time. This order provides a consolidation so that the schedule of car parks provides a full list of the orders operating from July 2022.
- The order reiterates and re-enforces a charging regime whereby the pricing reflects the type of use and popularity of the car park and therefore enables best management of the car parks in relation to uses. The order covers car park use as follows:
 - Coastal car parks – for use by visitors mainly visiting the beach
 - Resort car parks - in areas attracting visitors to their town centres
 - Standard Car parks - in other in-land towns
 - Season ticket and/or permit only car parks
 - Other car parks and public areas including Promenades
- Car park charges will increase to reflect increased costs of maintaining the provision as follows:

- The proposed order also seeks to clarify the boundary of the car parking order on each car park listed.

- There will be no increase in charges for the purchase of **public season tickets** which remain excellent value for money for local residents wanting flexible, low cost parking.
- There will be no change to the charges or conditions applied at Millers Walk car park in Fakenham.
