

North Norfolk Local Plan Examination Agenda for Matter 11

Wednesday 6 March 2024 (following Matter 10)

Matter 11: Environment (ENV policies)

Issue: Whether the policies for the environment are positively prepared, justified, effective and consistent with national policy.

1. Policy ENV1. Should specifically allocated major development sites in the AONB be an exception to the general presumption in Policy ENV1(3)?
2. In Policy ENV2(1,3 & 4), would it be justified to amend 'should' to 'must' as now suggested by the Council?
3. In Policy ENV3(1), should schemes specifically allowed by the local plan be listed as an exception?
4. Policy ENV4
5. Policy ENV5
6. Policies ENV6 and ENV 8. Is it justified for Policies ENV 6 and ENV 8 to require compliance with the North Norfolk Design Guide when this does not form part of the plan?
7. Policy ENV7
