

SEASON TICKETS

North Norfolk District Council offer two types of season tickets.

The 24-hour season ticket allows 24-hour, 7 days-a-week parking on selected car parks.

The 3-hour season ticket allows up to three hours parking on any one occasion on any NNDC pay and display car park.

GENERAL POINTS OF USE

The season ticket must be displayed clearly at all times.

Each season ticket may hold up to two registration numbers, but subsequent changes to car registration details are subject to a £10 charge. Can only be used in one vehicle at a time.

- **24-hour season tickets** are permitted on selected NNDC car parks only. Check the details to confirm compliance before parking.

Please note that these are **NOT** valid at the following car parks **Meadow Road (Cromer), Albert Street (Holt), Staithe Street (Wells), Morris Street and Chequers (Sheringham).**

- **3-hour season tickets** consist of a manual dial which users set at the time they park the vehicle. The ticket allows a maximum of 3 hours after which the vehicle must be removed from the car park except where the user has purchased an additional stay from the pay and display machine. If purchasing an additional stay, the 3 hour time clock runs from the expiry time of this ticket. Both the season ticket and pay and display ticket must be displayed side by side.

There is no return to the same car park within two hours but users may park on alternative car parks up to a maximum of 3 hours **EACH TIME**.

Please note the use of tickets is subject to the Terms & Conditions and only valid on North Norfolk District Council's Car Parks

Weekly tickets can only be purchased from the pay and display ticket machines located in the car park.
