

North Norfolk Community Hub

North Norfolk Community Hub is a bi-monthly virtual meeting for community organisations, groups and individuals in North Norfolk to have the chance to get to know each other, share ideas and service offers. The hub is organised by North Norfolk District Council and the Norfolk Libraries team in North Norfolk.

Each meeting will be themed, and there will be the opportunity for further information sharing through a dedicated Padlet page. Guest speakers will share details of their services and support related to each theme and everyone is invited to provide updates at each meeting.

The meetings are held virtually on Teams with notes and presentations from the meeting sent to everyone on our mailing list, so even if you are unable to attend the meeting you will still get the updates.

Please get in touch with one of the hub team if you would like to be added to the mailing list and receive an invite to the next meeting. Invites can be sent as calendar invites which will show your email, or as a private link if you use a personal email account.
