

Quick Guide to the Taxi and Private Hire Policy and Handbook

VERSION NUMBER	DATE
OA	28 April 2025

NORTH
NORFOLK
DISTRICT
COUNCIL

This guide contains basic information from the policy.

The policy is the complete guide to licensing taxis and private hire trade in North Norfolk.

Please read the details in the handbook if you are unsure about anything.

The numbers in this guide tell you where to find more information in the handbook.

Difference between taxis and private hire vehicles

Taxis can wait on a taxi rank. You can stop a taxi in the street to hire it. You must book a private hire vehicle through an operator. Private hire vehicles cannot take their vehicles on a rank.

Drivers must be safe and suitable. You would trust them at any time of day or night to travel with someone you care about.

General rules

5.1 People with licences must write to the licensing team to let us know about any:

- Changes
- Convictions
- Cautions
- Formal warnings
- County Court Judgments
- Complaints about them

They must do this within 48 hours

4. Tax conditionality

All renewing drivers, operators and vehicle owners must prove they are registered for tax. Do this online by visiting www.gov.uk/guidance/complete-a-tax-check-for-a-taxi-private-hire-or-scrap-metal-licence First time applicants do not need code.

To carry out a tax check, you need:

- a Government Gateway user ID and password
- to know when you first got your licence
- the length of your most recent licence
- how you pay tax on the income you earn from your licensed trade

After you complete the tax check, you will be given a 9-character code. This is your tax check code.

Give the tax check code to the licensing team at North Norfolk

6. Drivers

- 6.1 Drivers will receive a licence to drive both taxis and private hire vehicles that are registered with North Norfolk District Council. The licence normally lasts for 3 years.
- 6.2 You must apply for a new licence before the expiry date, if you want to keep the licence.
- 6.3 Drivers must send a copy of their DVLA driving licence to the licensing team, whenever there are any changes to it. It must be provided **within 7 days**.
- 6.4 The Police, or the licensing team can ask for a copy of a driver's licence at any time. It must be provided **within 7 days**.
