NOTICE OF COMMUNITY GOVERNANCE REVIEW

Local Government and Public Involvement in Health Act 2007

Local Government (Parish and Parish Councils) (England) Regulations 2008

North Norfolk District Council has commenced a Community Governance Review in respect of the governance arrangements for the area of the community of Edingthorpe as outlined in the map shown.

The review follows receipt of a valid community governance petition and will consider whether changes to local governance arrangements are needed to reflect community identity and secure effective and convenient local government.

As part of the review, the Council invites residents, local organisations and other interested parties to submit their views on the current arrangements and any proposals for change. Options to be considered may include:

- Retention of the existing arrangements with no change;
- Creation of a separate parish for the area of the former civil parish of Edingthorpe;
- Establishment of a parish meeting for the area of the former civil parish of Edingthorpe;
- Establishment of a grouping arrangement with either the neighbouring parish of Paston or the neighbouring parish of Witton and Ridlington.
- The introduction of parish warding arrangements within the existing parish;
- Any other arrangements identified through consultation which are consistent with the legislative framework and the objectives of community governance reviews.
