<p>Medium Term Financial Plan - 015(CR)</p> <p>1. Forecast funding reductions and shift to local financing from business rates, council tax and new homes bonus. The business rates retention system has shifted the risk of business rates fluctuations to the local level, meaning that Local Authority funding will be impacted directly from decline in business and also planned reductions to the revenue support grant and reliance on New Homes Bonus funding (top sliced from 2017/18) influenced by delivery of new homes and reductions in long term empty properties. Changes to the business rates retention scheme, now to 75% local retention in 2020/21.</p> <p>2. Failure to produce a balanced budget position and funded future projections in the medium term.</p> <p>3. The Corporate Plan may not be delivered to the identified timescales. The level of service currently provided could be at risk, unplanned use of reserves which is unsustainable in the longer term. Higher level of savings and additional income requirement in future years.</p>	<p>Policy work</p> <p>Lobbying Central Government</p> <p>Medium Term Financial Strategy (MTFS)</p> <p>Corporate Planning / Service Planning</p> <p>Budget Process / Budget Monitoring</p> <p>Regular monitoring system of the impact of the business rates retention and the localised council tax support system</p> <p>Utilisation of the New Homes Bonus grant within the base budget for 2018/19 onwards</p> <p>Annual review of the Council's reserves</p> <p>Reporting - New legislation and consultation</p> <p>Timely agreement of the annual Localised Council Tax Support Scheme</p> <p>Project Management Plans</p> <p>Balanced 2019/20 budget agreed 27 March 2019</p>	<p>5x3=15</p>	<p>Growth forecasting developed for housing and business rates to inform forecasts and budget.</p> <p>Early update of the Financial Strategy to inform the 19/20 budget process completed and reported to Members in October. Member training sessions all now delivered.</p> <p>Changes to the NHB scheme from 2017/18 now taken account of and built in to the 2018/19 budget and future projections. Now updated as a result of Provisional Settlement figures.</p> <p>Action proposed to improve long term empty property numbers through enforcement.</p> <p>Business cases for commercialisation to deliver future income and efficiencies.</p> <p>Waste procurement and pay spine review now included in 2019/10 budget forecasts.</p> <p>New leisure contract now re-let, commences April 2019. Savings used to help finance rebuilding of the leisure facilities in Sheringham.</p> <p>The position regarding recycling income from the joint venture arrangements with Norse is currently being monitored closely as income from paper</p>	<p>LH</p> <p>DE</p> <p>DE</p> <p>SH</p> <p>DE</p> <p>DE</p> <p>DE</p> <p>DE/SH</p>	<p>Sept 18 (complete)</p> <p>Oct 18 (complete)</p> <p>Oct 18 (complete)</p> <p>June 18 (complete)</p> <p>Ongoing</p> <p>Feb 2019 (complete)</p> <p>Feb 2019 (complete)</p> <p>Ongoing</p>	<p>4x3=12</p>	<p>Duncan Ellis - Head of Finance & Assets</p>

			<p>cycling is declining rapidly following China's new approach to the materials it accepts for recycling from 1 March 2018.</p> <p>Currently experiencing resourcing/capacity issues with the external audit review being undertaken by Ernst & Young in relation to the 2018/19 accounts which will mean a delay to the sign off of the accounts.</p> <p>A preliminary hearing date of the 4 November 2019 has been set to start to consider the High Court challenge which has been launched by 14 NHS Trusts. Officers will continue to monitor the position and provide updates as the case progresses. It is incredibly difficult at the present stage to try and assess the financial impact this would have on the Council due to the countywide business rate pooling arrangements. The pool does contain a £1m 'volatility fund' and the Council also has the Business rates Reserve which holds a further £2.4m to help mitigate against any financial impact should the case be won by the NHS. <p>Digital Transformation Board Monitoring Programme 003(CR)</p> <p>1. In order to achieve savings of c£350,000 revenue savings and at the same time improve Customer transactional services, DTP was commenced in January 2014. It has delivered a year early than planned more than £50,000 over and above what was originally planned. As a result, the DTP has now been increased for a further three years from April 2018 with a view to saving a further £216k pa.</p> <p>2. The programme has been built on a foundation of IT infrastructure changes which have allowed service BPR and subsequent efficiency and financial improvements.</p> <p>3. The main risks to the programme are that the individual work streams can't be delivered as anticipated and that there might be insufficient capacity internally to deliver the IT and service changes required. In addition, there is the scope for some reluctance from staff and customers to adopt new methods of working. Further risk is the potential inability for the Council to recruit technical competent IT staff. In the event of any of these risk becoming a reality then the anticipated savings may not be delivered.</p>	<p>Digital Transformation Board monitoring projects progress</p> <p>Communications plan around the programme to ensure buy-in</p> <p>New IT, Customer Services and Communication strategies approved during 2017/18</p> <p>Protection against data loss and/or system hacking required under PSN compliance regime to which the Council is fully compliant</p> <p>Ensuring that HR policies reflect the need to recruit differently in difficult to recruit subject areas</p> <p>Staff development processes in order to maintain technical competence</p> <p>DTP progress reports are provided to Cabinet and O&S on a six monthly basis to enable Member oversight</p>	<p>4x3=12</p>	<p>Phase one is almost complete with many of the key technology enablers either in place or commissioned and in the implementation phase. Both service based and cross cutting service change initiatives are in progress to take advantage of the technology commissioned.</p> <p>The Major service BPR in Planning is being implemented and the BPR of the Environmental Health Service is progressing well.</p> <p>Phase 2 of the DT programme was agreed as part of the 2018/19 budget process through allocation of a capital budget of £0.94m which is anticipated to generate net annual ongoing savings of c£0.216m once fully implemented.</p>	<p>SK</p> <p>SK</p> <p>SK</p>	<p>December 19 (not yet due)</p> <p>Sept 19 (not yet due)</p> <p>March 21 (not yet due)</p>	<p>2x4=8</p>	<p>Nick Baker – Corporate Director & Head of Paid Service</p>

<p>Recruitment (inability) – 024(CR)</p> <p>1. Difficulty recruiting into key posts, particularly in Planning Services, Finance, IT, Assets and Revs and Bens.
