The season ticket must be displayed on the windscreen so that all parts of the ticket are clearly visible. The Council reserves the right to challenge or prosecute anyone using a season ticket without displaying the ticket or displaying a valid parking ticket.
- Each ticket may hold up to two registration numbers. Holders of season tickets bearing two registration numbers and who subsequently change a vehicle will need to obtain a replacement ticket upon surrender of the original. - Refunds will be accepted on surrender of the ticket (NB - Please allow up to 21 days for refund). The amount refunded will be based on the amount of complete months left to run at the time the ticket was received at the Council. The value of the refund is based on the original cost divided by the number of months originally purchased, times the number of whole months remaining. A £10 administration fee is then levied from the balance.
- The Council reserves the right to refuse to issue a season ticket and/ or to withdraw any such ticket from the applicant, if it is to be found that the applicant is using the ticket for more than one vehicle at the same time or if the ticket is being misused in any other way.
