Get Outdoors

Countryside Events & Activities
in North Norfolk

Welcome to the latest edition of our *Get Outdoors* events and activity brochure. Those of you who are familiar with our events will know that each year our team, based at Holt Country Park, organises and delivers outdoor events for the local community and visitors to enjoy.

The aim of these events is to promote regular use and general awareness of our parks and open spaces, provide countryside education to the community, and help to make the service sustainable into the future.

We are delighted to say that we have had a very busy and successful first few months of 2019 with our six events held in February and at Easter all selling out and attracting over 600 attendees. This came after a fantastic two days of Christmas trails in December which saw very nearly 700 people attend, so thank you all very much for your support.

Looking forward we have put together another very busy programme of events and activities for you to enjoy between July and December, including a jam packed summer holiday period and our two most popular themed events, Halloween and Christmas trails.

All events and activities will be listed on our [Holt Country Park Facebook page](#), regardless of the location, so please do make sure you have liked our page to ensure you stay up to date

with all events you are interested in. Tickets for most events can be pre-purchased via our online booking site www.north-norfolk.gov.uk/book. There is also an option to sign up to receive regular updates about our events and the service in general. We have recently had to turn people away who had not pre-booked because we were full so please do utilise the pre-booking option where available to guarantee your space.

Of course, our team of rangers will continue to work hard across the district in between events to ensure that our woodlands and parks are in the very best condition for you all to enjoy. Our three full time rangers have 14 sites to look after, so they are kept very busy!

We hope that you will be able to join us at our events over the coming months and we welcome *any* feedback you may have about an event you have attended with us, or ideas we might like to consider in the future. These can be provided using the contact details listed below.

Very best wishes from all of us.

COLIN, ANNIE, STEVE, ANDRE,
QUINTIN & STEPH.
