# Kids' Zone

Welcome to our Easter Kids' Zone - jump, run, play all day activity programme. This Easter we have mixed things up a little by including a week of activities as usual over the first week of the holidays, and some more of the hugely successful Kids' Zone Fun Days in the second week. Introduced at Christmas these fun days cater for 5-12 year olds and include a morning of kids' favourite sports games and activities, plus Easter themed arts and crafts and an Easter Egg Hunt. The day finishes with a fun party with entertainment provided by James D's Party Time. Despite each fun day having 40 spaces available at Christmas these sold out very quickly, so please do book early to avoid disappointment.

## A new era

From April 1st 2019 all six of the Council's leisure facilities, including the Community Sports Centres, will be operated by Everyone Active. This is a very exciting time for leisure provision in the district and both North Norfolk District Council and Everyone Active are excited at the prospect of providing an improved quality service across all of the six centres. For you, nothing will change dramatically, you will see the same faces and our Kids' Zone holiday programmes will continue to run in each of the school holiday periods. In addition to this, Everyone Active will be looking to bring their knowledge, experience and successes from their other sites across the country to add to the Kids' Zone offer. Below is a short message from Dan Hicks, Area Manager for Everyone Active:

everyone  
ACTIVE

### 'Everyone Active' says Hello

*We would like to introduce ourselves to the community by saying we are really excited to be working in partnership with North Norfolk District Council. Everyone Active is the longest-established leisure operator in the UK and share a passion with the Council for engaging more people in physical activity across the whole community. This includes investing in high quality facilities in combination with delivering the best possible service to our customers. These Easter holiday activities for children are ideal to encourage more people to try new or different forms of sport and activity. Enjoy!*

I am sure that you will all be as excited as we are about this new partnership, and if you have any questions about this please do contact me at any time. It is business as usual at the centres and all of the team look forward to a fun-filled Easter Holiday.

colin.brown@north-norfolk.gov.uk / 01263 516001

Very best wishes **Colin**

## Points to remember

Please

- remember to sign your child in and out for each session they attend.
- send your child in clothing appropriate to the activity they are taking part in.
- send your child with plenty to drink and a lunch (for all-day sessions).
- see a member of our team if you have any special requirements.
- contact us if you have any questions or queries about any of our activities.

# Kids' Zone

**JUMP, RUN, PLAY ALL DAY**

## Activity Days

Kids' Zone activity days will be jam packed full of different sports, games and activities, and each day will be tailored to the group we have. Here's a short description to give you an idea of what a typical zone day will include:

### ACTIVITY DAY

Our activity day will include activities such as capture the flag; dodgeball; logic games; pirates; speed stacking; playground games; arts and crafts; rounders; football cricket; Chinese football; dog & bone and more!

### FOOTBALL FUN DAY

A whole day of football-based activities including around the world; marbles; football cricket; Chinese football; golden nuggets; king of the ring; skittles; tournament; crossbar challenge and more!

### JUNIOR ACTIVITY DAY/MORNING

We always enjoy welcoming our younger visitors! We will be taking part in games such as what's the time Mr. Wolf? stuck in the mud; duck, duck goose; parachute activities and many, many more! We may even get the chance to play on our bouncy castle!

### BALL GAMES

So many games played with a ball and during this day you will get to try some of them including basketball, cricket, dodgeball, football, handball, netball, tennis, rounders, hockey, volleyball, table tennis and more.

### MULTISPORTS

Our Multisports day concentrates on more traditional sports and could include athletics, badminton, basketball, cricket, football, handball, hockey, netball, table tennis, tennis, and more!

### STREET DANCE WITH GEORGIE

Learn the latest dance moves, choreograph a routine and perform it at the end of the day. The session will also include some fun games and activities at the start to get you in the zone and ready to dance.
