

## Small Business Rates Relief 2020 / 2021

Below are two tables, the first shows the rates payable from April 2020 by businesses able to claim Small Business Rates Relief who occupy a single property having a Rateable Value between £12,000 and £15,000, for the financial year 2020/21. The second shows the percentage of relief available for each rateable value.

**Since the 1st April 2017 businesses occupying only one property with a rateable value below £12,000 should be paying NO rates. If you occupy a retail or leisure property or are in the hospitality business including a pub or restaurant The Chancellor announced in March 2020 that NO RATES will be paid by such businesses in the 2020/2021 financial year.**

These figures are based on the Small Business non-domestic multiplier for 2020/21 which has been set by central government at 49.9p to the pound. It may still be possible for some businesses to claim this relief back to April 2012.
