

Sidestrand – Northtrepps and Sidestrand – Trimingham Boundary Proposal Maps

Key

- Proposed Boundary
- Existing Boundary

This Review seeks to tidy the boundaries between Sidestrand and Trimingham at Bizewell Farm as currently the boundary runs through the farmhouse itself. The proposal is for the boundary to run along the stream to the east of the property from the Coast Road down to the existing boundary line at the dismantled railway line.

The proposal with regards to the Sidestrand boundary with Northrepps is to change the boundary at Pond Farm so it runs continuously along Hungry Hill as currently there is an anomaly at this site where the boundary cuts into the curtilage of the property there.

Both of these proposed changes will bring no affect to the properties in terms of Council Tax parish precept or their governance and are to purely correct the historical plotting anomalies.
