

Great and Little Walsingham Boundary Proposal Map

This Review seeks to tidy the historical boundary anomaly by consolidating the properties grouped at the Old Vicarage and Vicarage Cottage into the parish of Little Walsingham.

Currently the boundary line splits the properties at Vicarage Cottage and some of those at the Old Vicarage. Although they appear to be in Little Walsingham, they currently pay rates and are on the Electoral Roll in Great Walsingham.

These changes would bring about no changes in the parish precept of Council Tax or the governance as they will still be represented by the same Parish Council, and District and County Councillors.
