

Binham - Hindringham Boundary Proposal Map

This Review seeks to tidy the boundary between Binham and Hindringham at Foxburrow Farm by moving the boundary to the rear of the dwelling known as The Bungalow, Foxburrow Farm and running it eastwards along the drain until it meets the existing North-South boundary line.

This proposal would move The Bungalow, Foxburrow Farm into the Hindringham Parish in terms of precept as it currently falls within Binham parish. This would increase its parish precept from £30.32 to £32.78 per annum based on current year figures. All three properties are currently on the Electoral Register within the Hindringham Parish so there is no change in terms of Governance.
