

Blakeney - Wiveton Boundary Proposal Map

This Review seeks to consolidate the properties and businesses established at Friary Farm into the Blakeney Parish in terms of Council Tax, Rates and Governance. Access to each of these is down the track which falls within Blakeney parish so this change would achieve that consolidation.

The proposal would see the property at Monks Orchard, Friary Farm move from Wiveton parish to Blakeney parish which would result in an increase of Council Tax parish precept from £59.35 per annum in Wiveton to £91.43 per annum in Blakeney based on current 2020/21 rates. In terms of Governance, any electors at the property would now come under Blakeney Parish Council but there would be no change in terms of District Council ward and County Council Division.
