Dear sirs,

Re: APPLICATION FOR A DESIGNATION OF A NEIGHBOURHOOD PLAN AREA

The Town Council at Stalham have met and agreed that they wish to designate the whole area within the Parish Boundary for the purposes of a neighbourhood plan, and enclose a map illustrating this as 5A (1) Neighbourhood Planning (General) Regulations 2012 and amendments 2016.

This area was agreed by resolution at a meeting of the Town Council.

The Town Council is the relevant qualifying body and makes this application following a resolution at Full Council.

The Steering Group intends to consider all aspects of planning in development of their neighbourhood plan, going through a process of identifying issues based on local evidence, and considering options for addressing these that are in conformity with local and national policy. This will likely include a focus on high quality design, designation of Local Green Spaces and ensuring housing mix reflects local requirements.

We look forward to hearing from you in due course.

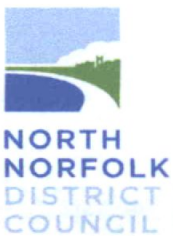

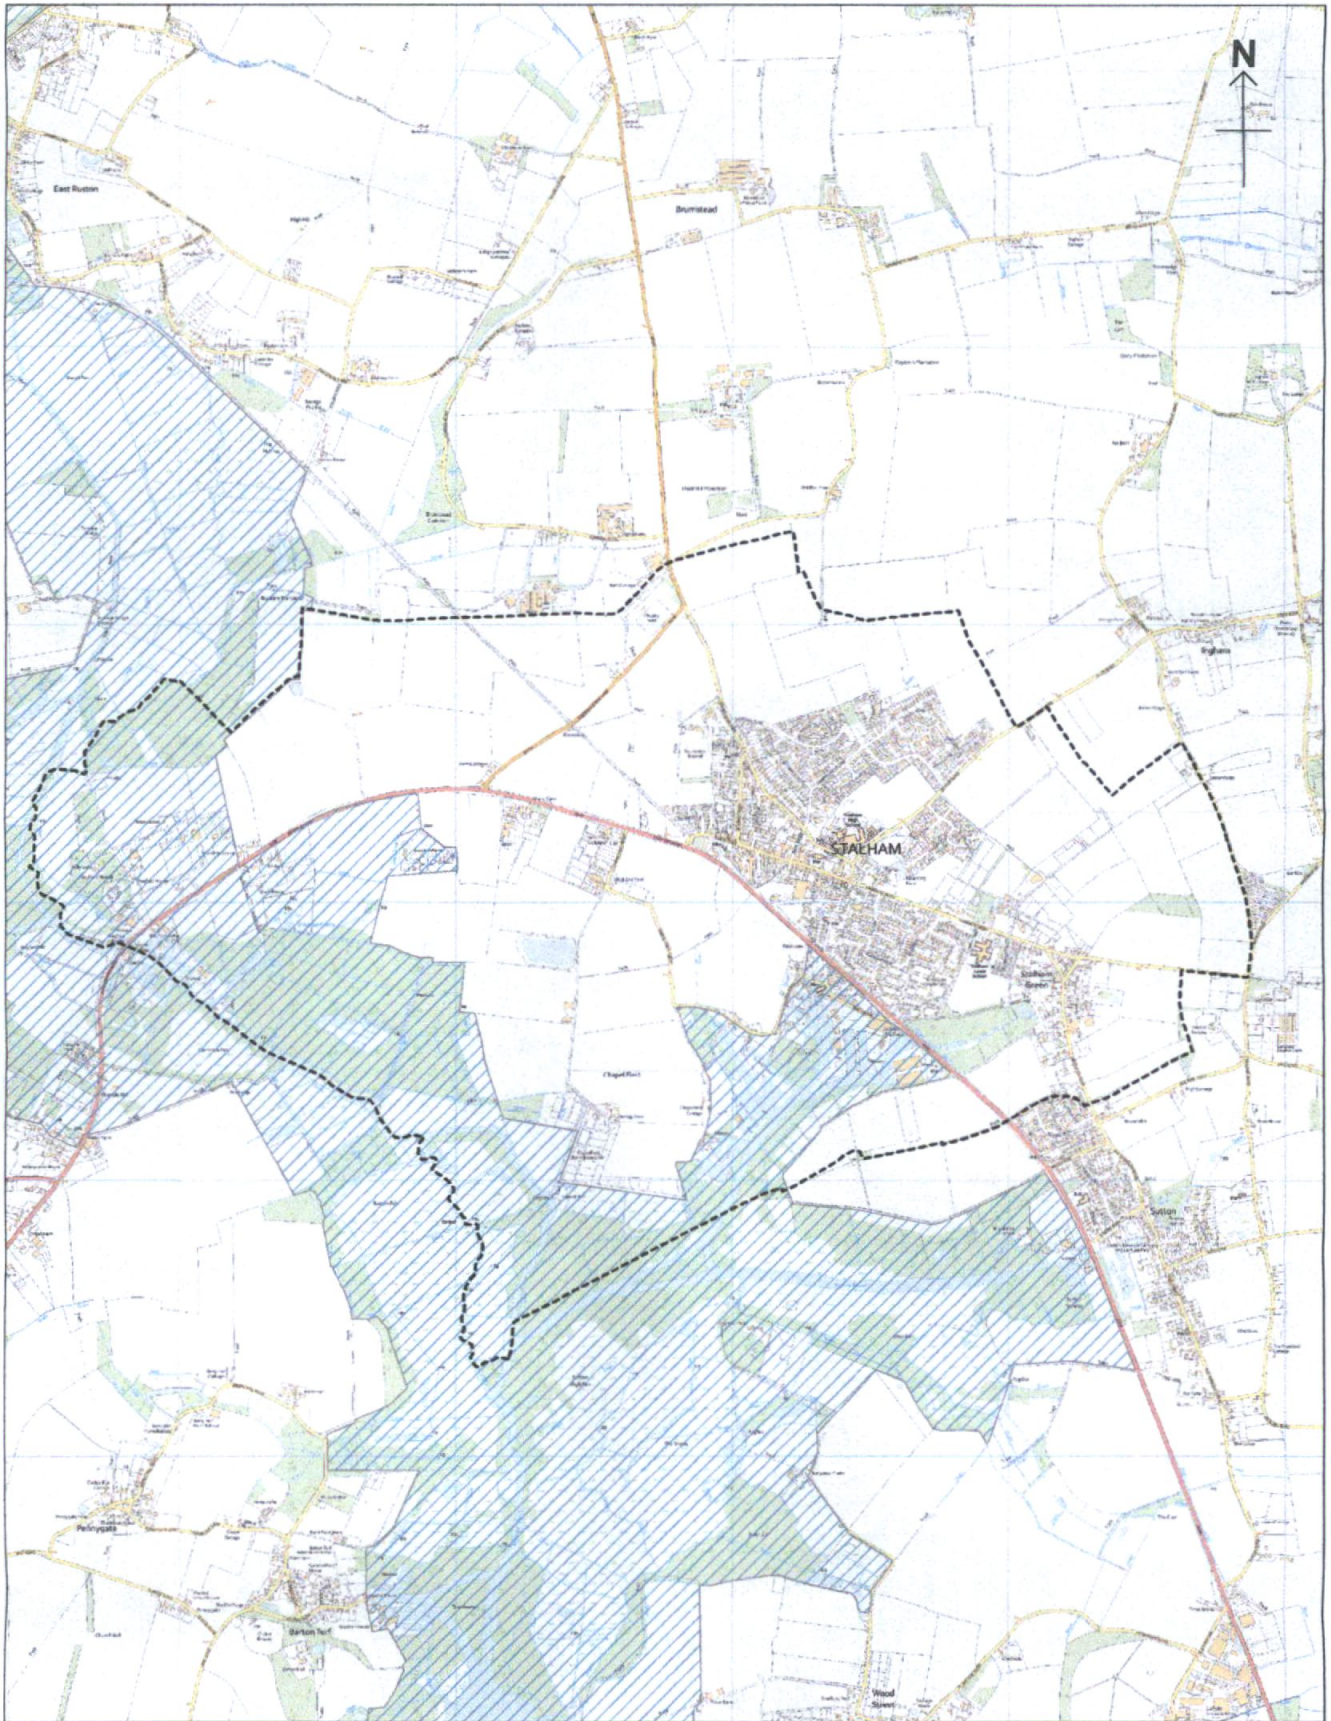

Yours faithfully,
