

GREENBUILD

CREATING A MORE SUSTAINABLE NORTH NORFOLK

Create a Sustainable Building Lego Competition

Greenbuild Lego Club at Fakenham Library

Get creative and redesign part of your school, home or town so it is a more environmentally friendly place to live, learn and play.

Join the Greenbuild Lego club in **Fakenham Library** anytime between **10am - 3:30pm on Saturday 10th Sept** or create your building at home and bring it to the library no later than 3pm to be photographed for judging.

First prize is an incredible family day pass for Pensthorpe Natural Park!

Entrants must be under 16 (sorry adults!) and the design can be anything from the ultimate environmental friendly bedroom to a new sustainable school.

Check out these great facts and ideas from LEGO for inspiration:

www.lego.com/en-gb/sustainability/build-the-change/build-a-sustainable-building

Entries will be judged on both the Lego build and creative ideas and description that go into it so make sure to fill in the entry form, below or pick up a copy from the library staff on the day. Adults can help with this bit!

Judging will take place at Fakenham Library at 3:30pm and the winning entries will be contacted soon after.
