Dear Mr Ashwell

### North Norfolk Local Plan

I can confirm that there are no strategic cross boundary issues resulting from the emerging North Norfolk Local Plan that affect South Norfolk beyond those matters that have been jointly agreed within the Norfolk Strategic Planning Framework (NSPF).

South Norfolk welcomes the recognition of the importance of the twenty-five formal agreements of the NSPF within North Norfolk's Statement of Compliance with the Duty to Cooperate and looks forward to continuing to work together to realise our shared vision for Norfolk.

Yours sincerely
