.....

- (5) Every register kept under this section shall be available for inspection by the public at all reasonable hours.

**Section 70**

- (1) Subject to subsections (1A) and (1B), where an application is made to the authority for consent under a tree preservation order -

  - (b) they may refuse consent under the order.
- (1A) Where an application relates to an area of woodland, the authority shall grant consent so far as accords with the practice of good forestry, unless they are satisfied that the granting of consent would fail to secure the maintenance of the special character of the woodland or the woodland character of the area.
- (1B) Where the authority grant consent for the felling of trees in a woodland area they shall not impose conditions requiring replacement where such felling is carried out in the course of forestry operations (but may give directions for securing replanting).

.....
